

BROCO® UNDERWATER ULTRATHERMIC CUTTING ROD PLUS

PRODUCT CODE	UW/3818-50
DIAMETER	1/4 INCH AND 3/8 INCH
STANDARD LENGTH	18 INCHES
FEATURES	<ul style="list-style-type: none"> • Burning in excess of 10,000 Fahrenheit at the tip. • Burns evenly. • Virtually cut or melt any known material. • Patented rod design features alloy core wires retained by a series of circular crimps. Recessing these internal wires on the torch end of the rod helps prevent burn back into the torch, making Broco Underwater Ultrathermic cutting rods the safest on the market.
